To Student

Notification of going to/coming from outside Miyazaki prefecture (for family / for visitor)

As policy of UoM, we urge all student to refrain to travel outside Miyazaki prefecture. Especially travelling region where the semi-emergency coronavirus measures is taken is prohibited. If you need to travel to outside Miyazaki prefecture, the student must submit "Notification of going to outside Miyazaki prefecture" to his/her faculty's/graduate school's student affair or student support office.

Currently the infection status in Miyazaki Prefecture is in the stage 2 according to the index shown by the Japanese Subcommittee on Novel Coronavirus Disease Control, and a new variant of the Coronavirus has been confirmed.

Face-to-face class will be starting from Friday, April 23rd. To prevent spread of infection and prevent clustering, when the student's family who lives together is going outside Miyazaki prefecture, or when the student's family who is coming from outside Miyazaki prefecture, the student must submit "Notification of going to/coming from outside Miyazaki prefecture (for family / for visitor)"

When student had a contact with family or visitor from outside Miyazaki, immediately submit "Notification of going to /coming from outside Miyazaki prefecture (for family / for visitor)" to the faculty/graduate school student affair/student support office.
